## DOGGY STORY: GOMA

**BORN:**  
Oct 24

**RESCUED:**  
Oct 24

**ADOPTED:**  
Nov 24

**ADOPTION No.:**  
295

Friends of CDH, Lloyd and Katie rescued these eight puppies, along with their mother Linda... abandoned by neighbours. We suspect that they are Podengo/Labrador X and it seems they'll be medium in size. This little girl is Goma who is currently being fostered by one of our partner Vets.... as a home trial. Home trial successful.....Adopted!!!
